LIQUORS, CIGARS.

Come to the Fair.

"Hurrah for the Fair," the old farmer shouts,
As Dobbin is driven up close to the door,
And pumpkins, etc., are piled in the cart,
All gathered with care from the old farmers store.

When you come to the Fair, let us see what you have,
We've a welcome for all, maid, matron and sire,
Bring your horses and daughters, your oxen and sons,
Our motto is "Forward!" and forward means higher.

And when to our city, the pride of the West,
And viewing the sights and notions so rare,
Then will want a Cigar to give zest to your taste,
And add to the interest you feel in the Fair.

It needs but a trial to point out the place,
Our Cigars are selected with excellent care,
Then remember our store with its "native" in front,
And glance at our card when you visit the Fair.

THE EAGLE
STEAM FOUNDRY!
— OF —
TURTON & SERCOMB,
296, 298, 300, 302 and 304 West Water St.
IS STILL IN FULL BLAST, WORKING DAY AND night to supply the daily increasing wants of the Badger and other States.

In order the better to do this, the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planing or Shaping Machine, three Lathes, and a Machine for making bolts, and are now putting in a Steam Engine of [illegible] horse power to drive the whole, thereby adding to the former facilities for the successful carrying on of the Foundry, Machine, Engine and Blacksmithing business. They never were in a better position for doing business, and

in any department.

In regard to the character of the work got up by this The Oldest Establishment in the State the Proprietors refer to that in successful operation through the country as their best recommendation, as it can speak for itself. All they can say is, that they are both PRACTICAL MECHANICS, and know how work should be done as well as the next man.

They continue to manufacture FLOUR and SAW MILL GEARING, and STEAM ENGINES, on the most approved principle.

They have always on hand a large stock of BRASS WORKS, such as GUAGE AND CYLINDER COCKS, OIL CUPS AND COCKS and STEAM WHISTLES. Also TURTON'S FILTER, which they will sell at the lowest cash price.

They are also Agents for EASTMAN'S PATENT STEAM GUAGES, which are well worth the attention of all those who use Steam Engines.

In conclusion, they invite a continued share of the patronage of their old friends, and solicit a call from all those in want of Saw or Flouring Mill Work, assuring them that no exertions will be spared to render the Old Eagle worthy of the reputation it has already gained.

Their motto is, "Excelsior."

Type Foundry in Milwaukee.

By the following from the Albany Union, we find that we are soon to have a type foundry established in our city:

"Edward Miller, Esq., type founder, of this city, and recently of the firm of Miller & G[illegible], leaves for the West to-morrow, to engage in the type foundry business in the city of Milwaukee, and to furnish the Great West with printers materials generally. Mr. M. is a gentleman, and will make friends among the printers and the business community generally, wherever he goes. He carries with him the good wishes of every one who has enjoyed the honor of his acquaintance—and we have no hesitation in saying that [illegible] many years [illegible] with that success in his business [illegible] his talents and enterprise entitle him to."

This will be good news to the craft in our city and State. Mr Miller was here some weeks since at which time he had not concluded upon coming to Milwaukee to locate his establishment. We are glad that he has finally determined on this step. He is a thoroughly master of his business and his foundry will be a welcome addition to the industrial establishments of our city.

CONCERT WEDNESDAY EVENING.—Mr. WEINBERG, the admirable Violinist, gives a Concert at Young's Hall on Wednesday evening. He will be assisted by the full orchestra and chorus of our Milwaukee Musical Society, and offers a programme of very tempting character. Mr Weinberg is a new comer among us, attracted to our city by its reputation for musical taste and talent. He desires to pursue here his occupation, that of a teacher of music. His violin has already been heard at one or two concerts of our Musical Society, and his performance elicited the warmest applause. [illegible] we hope he will be cordially received to-morrow night, and show him that Milwaukee knows how to appreciate and to welcome musical talent such as he possesses.

GRAND MILITARY BALL.—Our Milwaukee Light Guard propose to give a grand Military Ball at Young's Hall, on Monday evening Dec 22. The proceeds to be devoted to defraying the expenses of their additional equipment. They intend to make it the most brilliant affair of the kind yet got up in our city, and hope that their fellow citizens will remember them kindly on the occasion and lend them their aid and countenance.

REAL ESTATE.—WELD & BALDWIN, 18 Wisconsin street, say that Real Estate has been in much demand during the last month, and that they have effected many sales at good rates, both of city property and lands.—They sold, Saturday, the S. 6[illegible] feet of ½ Block 18, First Ward, for $3400. They advertise some good bargains to-day.

BREAKING THE ICE.—The staunch tug boat *Decatur* has been at work for the past two or three days, breaking the ice in the river so as to keep a channel open for the last vessels to get in. Her manoeuvres interfere sadly with the skating and Young America resents them hugely, but to no purpose. Patience, boys!

DANCING PARTIES.—One of the quiet and pleasant [illegible] Parties was given at Concert Hall on Friday evening last. The next one of the series takes place at the same Hall on the 19th inst.

☞ TWO MILLIONS BOXES SOLD ANNUALLY.—The immense sales of Herrick's Vegetable Sugar Coated Pills, and the uniform success attending their use, in all diseases requiring a cathartic is conclusive evidence of their virtues, and should influence every one, when sick to take them. Harry Meech, (and who does not know Harry Meech?) says — "When I am sick it is seldom I want a doctor. I always keep Herrick's Sugar Coated Pills in my house." He thinks them a very fine medicine. 25 cents per box.

Articles of Taste
FANCY AND UTILITY.

E. C. ARNOLD, 154 East Water street, continues to devote careful attention to this department, and is now arranging his recent purchases which embrace items fitted to grace the Drawing Room or Boudoir. In selecting he has studied the wants of both sexes and all ages, and while endeavoring to satisfy a severe taste, has secured moderation in price. As many of the goods are fresh importations and cannot easily be duplicated, he need not say more to induce purchasers to make an early call and choice, assuring them that any merely technical description falls far short of conveying an adequate impression of the rarity, elegance and extent of the assortment. The stock is rendered still more attractive for Holiday and other festive occasions by choice illustrated editions of the received Classics of English and American Literature, and favorite authors in translation, in the luxurious modern and revived antique bindings and ornamentation—of which a descriptive list anon.

E. C. A. is happy to say that his estimate of the taste and appreciation of his customers is fully verified by the success attending the sale of his last invoice of pictures, and he anticipates still further cause of gratulation now that he has added so essentially to the artistic features of his establishment.

City Land Office.

ON THURSDAY, December the 18th, in the morning at 10 o'clock, I will sell the following Real Estate, on terms that will give a chance to all persons to purchase property upon which they must and will make one hundred per cent in twelve months and spring.

The sale will commence with one hundred lots in Kilbourn City—at a point which has been laid out, and which is and must be the seat of Government of Wisconsin. I have many lots by which I can prove to all who wish them. The terms of the sale—the lots in Kilbourn City are ¼ cash, the balance in 1 and 2 years, with seven per cent interest.

The second part of the sale is sixty lots in the City of Sheboygan, which is on Lake Michigan at a distance of sixty miles from our city. I am told by several who have visited Sheboygan that she will be the next to Milwaukee, and I have no doubt, from the situation she holds, but what she will be the second to Milwaukee. The property I am going to sell is central and it will be sold on very easy terms. Terms as stated.

The third part of the sale is some thirty or forty lots in the new and beautiful city of Beaver Dam, where a large and a very heavy and extensive business is now doing, owing to the Grand Depot which the La Crosse Railroad has located there. The lots which I am going to sell are near the depot and are very desirable and very valuable. The terms upon which these lots are sold are very easy.

The fourth part of the sale is that Grand and inviting farm, which formerly belonged to our old friend Douglas, which has been cut up in ten acre lots, about 1½ miles should think from city limits. It is about ¾ mile from Dr. Chase's, and about same distance from the Rev. Mr. Le Fevers. This is a very desirable and beautiful location for residences about thirty minutes ride from my office, and you have from any one of the ten acres a full view of our beautiful city and for business men it is a very desirable residence. There is a portion of timber sufficient with each ten acre lot to keep up the fences and for fire wood for the next fifty years. Arrival of the Arabia.

HALIFAX, Dec

The steamship Arabia left Liverpool on the afternoon of the 22d.

The Atlantic arrived here on the 20th and the North America, from Quebec on the 1[illegible].

Political affairs quiet.

Various disquieting rumors respecting the Anglo French Alliance have disappeared, causing a rise during the week of nearly one per cent in the funds. At the same time most of [illegible] commerce have experienced a check and business has been less animated.

A treaty of commerce has been concluded between France and the Sandwich Islands.

The contemplated arrangement between the Spanish Bourbons has failed.

The Queen was kept in the dark as to the real object of the clerical party, which was her abdication, and the marriage of her daughter to the eldest son of Don Juan.

The ships James Baines and Lightning arrived at Liverpool with £1,300,000 in gold from Australia, causing an anticipation of a reduction in bank notes.

The British Government has ordered a ship to be fitted out to examine the coast of Ireland and Newfoundland, and sound across the Atlantic and ascertain the best place for laying the Telegraph Cable.

Contracts for the whole extent of the cable were signed at London on the 12th ult., to be completed and on board two steamships by the 31 of May next. The Telegraph Company expect the line to be perfected by the 4th of July.

Constantinople, Nov 1

M De Bentiniff has again endeavored to obtain from the government the dismissal of the English ships from the Bosphorus.

An English frigate had arrived at Constantinople, and others were expected.

The attempts of the Khan failed to effect with Lord Radcliffe a settlement of the dispute between England and Persia.

Late accounts from Spain state that all the prisoners taken at Malaga have been executed. Further movements are feared as the incorporation of militia into the regular army had caused great numbers to desert.

The government of Naples had ordered strict surveillance over French and English commercial vessels.

The Neapolitan question is advancing slowly to a settlement.

Prussia and Austria have fixed upon the 10th of December for bringing the question of the Duchies before the Germanic Diet.

Paris, Friday

A vigorous reaction in funds to day, the 3 per cents closed 67,85, the 4½ per cents 91, [illegible]. The condition of the Bank is improving.

It was reported that a movement had taken place in Spain at Malaga. The garrison was attacked by persons proclaiming the Republic.—The troops resisted, and order was soon restored. Five insurgents killed. The garrison had several wounded.

Slight disturbances had taken place at Madrid. Numerous arrests of the lower classes were made.

Liverpool Market.

PROVISIONS.—Richardson, Spence & Co quote beef and pork very dull. Bacon quiet. Lard scarce, and [illegible] paid readily by buyers.

London Money Market.

LONDON, Nov [illegible]

The market had become decidedly easier on account of the arrival of the enormous sum of £1,600,000 in gold from Australia.

The bullion in the Bank of England had increased during the week £164,000.

Consols had considerably advanced, and closed at 93¼ for money, 93⅛a93⅜ on account.

Ball & Co report fair business doing in American securities.

NEW YORK, Dec 1

The *Tribune's* Washington correspondence of the 3d inst., says Col. Wm Spencer, of Newark, Ohio, late employee under Mr. Calhoun, Surveyor General in Kansas, has been appointed U. S. Marshal of Kansas, vice Donaldson resigned. Judge Lecompte is not yet removed. The new Marshal was formerly Sheriff of Licking county, and more recently was sent to Kansas by the President as commissioner to appraise the Delaware lands. He is spoken highly of here by the friends of free Kansas, and his appointment has given offence to some of the Southern Buchaniers. It is a triumph of Gov Geary over Judge Lecompte.

The steamship Cahawba arrived last evening from Havana, after a very quick run of three days and twenty three hours.

Gale on Lake Ontario.

OSWEGO, Dec [illegible]

The recent gale on lake Ontario has proved very disastrous to the shipping. The schooner Magara, coal laden, from Oswego, went ashore at Port Hope. The crew were in great peril when Capt. Wood, of schooner Alma, and Robt Campbell, mate of another schooner, made an attempt to rescue them, and were both drowned.

The schooner Caledonia is ashore near Toronto, and the Brig Beaver, at Braddock's Point.

A large fleet of grain vessels arrived off this port this morning from the Welland Canal.

PHILADELPHIA, Dec 6

The steamer City of Manchester, from Liverpool Nov. 19, arrived at her docks this evening.

GREAT SALE OF LOTS
IN THE CITY OF
PORTAGE,
On the 18th day of December, 1856

THE proprietors of real estate in the city of Portage, have made arrangements for a general sale of lots in said city, at the time above named. Over one thousand lots will be offered, situated in all parts of the city. A liberal credit will be given for a part of the purchase money if desired.

It is believed that the great advantages of this point are understood among the business men of the State.—The La Crosse Rail Road is now running to within 20 miles of here, and will be completed to this city early in January next. The land grant disposed of by the last Legislature secures the completion of a railroad from Madison, and another from Columbus to this city, within two years and from the north east to the Northwestern part of the State to Lake St. Croix and Lake Superior. Doubtless the able and energetic company who have this work in charge will urge it forward to completion with all possible despatch. The long delayed Fox and Wisconsin River Improvement is now certain of being completed immediately, making a perfect navigation for vessels drawing 3½ feet of water, from Lake Michigan to the Wisconsin River through the canal at this place. The act of the last Legislature [illegible] early for this. The commercial advantages and prospects of Portage are unequalled by any town in the interior of the State, and it has no rival. The site is healthy and pleasant, and surrounded by beautiful scenery. The city has grown rapidly with a healthy and natural growth, and it will soon receive a new and powerful impetus. Real estate is still comparatively low. There never has been any attempt to inflate prices or speculate in fictitious values.

An opportunity is now offered to obtain property here on the most favorable terms. Let no one wishing such a bargain fail.

THE LADIES' DEPARTMENT

IN A SEPARATE ROOM,

Instruction is given in Embroidery, Drawing, Music, Latin and German, and scholars are taught to read, write and converse in French daily.

C. F. L. takes pleasure in announcing to his friends and patrons the prosperity of this department during the past year. He pledges himself that it will be his constant aim to secure the greatest amount of intellectual and moral improvement, to those entrusted to his care.

COMMERCIAL DEPARTMENT.

This department is under the immediate charge of Prof. Lasigo. Instruction is given in all the branches of a thorough English and Commercial Education, including the Higher Mathematics, French, Latin and German Languages, and is designed to prepare youth for college or for business life. Perfect facilities are afforded to young gentlemen for acquiring, in the most expeditious manner, a thorough knowledge of Commercial Science as practically employed in the Counting Rooms and Business pursuits generally.

The full course embraces the most approved and practical forms for keeping Books by Double Entry, in the various departments of Trade and Commerce, including general Wholesale and Retail, Mercantile Exchange, Commission Shipping, Individual Partnership and Compound, Company Business with Commercial Correspondence in English, French and German. The Student is taught to copy all manuscripts in a bold and rapid hand, which serves as a great auxiliary to him in securing an excellent style of writing—a hand writing in every respect adapted to business pursuits is also warranted to every student who takes a full course with a Diploma.

Through the extensive business acquaintance of the Principal, many of his students obtain profitable situations.

LESSONS IN
Foreign Languages.

MR. AND MRS. L. S. B. DE CRETY, from Paris, for four years past instructors in foreign languages in Milwaukee, have the honor to inform the public that they will form classes in the French, Italian and Spanish languages on the 1st of September next. The course of instruction will be according to the age and intelligence of the pupils, and the classes kept entirely separate, their house being arranged with that view.

Gentlemen or ladies who begin to speak either of these languages, can receive lessons in Reading and Conversation, Mr. De Crety furnishing books of the best French authors. Those who wishing to learn vocal music in either of those languages, will find a competent music teacher in the establishment.

The hours of instruction will be from 8 to 11 o'clock A. M., and from 2 to 5 P. M.. And in the evening from half past 6 to 8, for conversation.

Mr. DE CRETY will also give lessons in French, Spanish and Italian, at his office, to gentlemen only, from 7 to 10 o'clock in the evening, as also lessons in Fencing, the use of the Sword, and all military exercises. Persons of delicate constitution and feeble temperament, as also those confined to their offices and engaged in sedentary pursuits, will derive from these exercises, improvement in their health, acquire strength in their limbs and find an agreeable recreation.

Mr. De Crety will also form similar classes for children, from 10 to 15 years old, at his house, or office, as parents may prefer. Fathers and mothers who desire to see their children strong, active and robust, can judge for themselves, after a few weeks trial, as to the effect of these different exercises upon their health.

The continued patronage of the public is respectfully solicited.

To MERCHANTS.—Mr. De Crety will take charge of French correspondence to all the principal cities of France and will prepare all Price Currents that they may want.

BAY-LIES & LINCOLN'S
Milwaukee Commercial College

212 and 214 East Water St.,
MILWAUKEE, - - WISCONSIN.

THE proprietors of the Milwaukee Commercial College would respectfully announce that the liberal patronage that has been extended to this deservedly popular enterprize has led them to extend the field of study, so that it will embrace every branch of a thorough Commercial Education. As there are no classes formed in any department of study—(thereby enabling the student to enter any time, each one receiving separate instructions)—the student, on entering, is placed in the Counting Room, with actual transactions to work from, thus making his education not merely theoretical, but practical to the last degree. The Commercial Course comprises Book-Keeping by Double Entry, in its various forms, as adapted to Wholesale, Retail, Commission, Manufacturing, Custom House, Banking, Railroading, in stock partnership, and compound Company business, Commercial Calculations in per centage, Exchange, Bank and Regular Discounts, Averaging, Accounts by simple and Compound Equations, &c., according to the most approved methods. Commercial Correspondence, including account sales, account currents, drafts, bills of exchange, &c., &c.

Also, a perfect system of detecting Counterfeit Bank Notes, will be given to each student.

A good Hand Writing guaranteed to every person completing a full course.

During the Sessions, Lectures on Commercial Law will be delivered by eminent legal and business men, and no pains will be spared to make this a department particularly attractive.

The Reading Room will be supplied with the various Daily and other papers and publications.

Particular attention will be given to Ladies who may wish to acquire a business education, and separate rooms have been beautifully fitted up for their use.

Merchants and other business men are informed that, at any time, by a few days' notice, they can be supplied with competent Accountants, and young men will be assisted in procuring situations when desired.

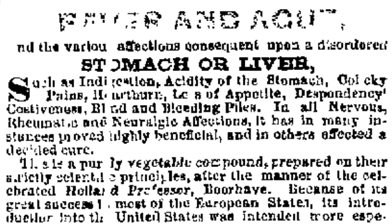
BOERHAVE'S
HOLLAND BITTERS



THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND

FEVER AND AGUE,

and the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in many instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find in this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION!

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given BOERHAVE'S HOLLAND BITTERS a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

CARTER'S SPANISH MIXTURE
THE GREAT PURIFIER OF THE BLOOD!
THE BEST ALTERATIVE KNOWN!
NOT A PARTICLE OF MERCURY IN IT!

An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Ague and Fever, Chronic Sore Eyes, Ringworm or Tetter, Scald Head, Enlargement and pain of the Bones and Joints, Salt Rheum, Stubborn Ulcers, Syphilitic Disorders, and all diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood.

This great Alterative Medicine and Purifier of the Blood is now used by thousands of grateful patients from all parts of the United States, who testify daily to the remarkable cures performed by the greatest of all medicines, "CARTER'S SPANISH MIXTURE." Neuralgia, Rheumatism, Scrofula, Eruptions on the Skin, Liver Disease, Fevers, Ulcers, Old Sores, Affection of the Kidneys, Diseases of the Throat, Female Complaints, Pains and Aching of the Bones and Joints, are speedily put to flight by using this inestimable remedy.

For all diseases of the Blood, nothing has yet been found to compare with it. It cleanses the system of all impurities, acts gently and efficiently on the Liver and Kidneys, strengthens the Digestion, gives tone to the stomach, makes the Skin clear and healthy, and restores the Constitution, enfeebled by disease or broken down by the excesses of youth, to its pristine vigor and strength.

For the diseases of FEMALES it is peculiarly applicable, and wherever it has become known is regularly prescribed with the happiest effects. It invigorates the weak and debilitated, and imparts elasticity to the worn-out frame, clears the skin, and leaves the patient fresh and healthy; a single bottle of this inestimable remedy is worth all the so called Sarsaparillas in existence.

The large number of certificates which we have received from persons from all parts of the United States, is the best evidence that there is no humbug about it. The Press, hotel keepers, magistrates, physicians, and public men, well known to the community, all add their testimony to the wonderful effects of this GREAT BLOOD PURIFIER.

Call on the Agent and get an Almanac, and read the details of astonishing cures performed by CARTER'S SPANISH MIXTURE, (IN MOST CASES WHERE EVERY THING ELSE HAD SIGNALLY FAILED.) The limits of an advertisement will not admit of their full insertion.
